GOLDEN RAIDERS FAIL TO OVERCOME FIRST PERIOD COWBOY SCORE

By WILBUR AGEE

A fighting band of Cowboys from Abilene, Texas, scored in the first six minutes of play Friday night in Spartan stadium, and went on to hold the Golden Raiders of San Jose State college to a 7-7 tie.

Despite the fact they were weak on reserve power, the Hardin-Simmons eleven, playing their first string practically throughout the game, held the Spartans to one touchdown, which came in the second quarter.

The Spartans took the ball with but four minutes to play in the first quarter, and moved it 48 yards to score at the beginning of the second period. Aubrey Minter started things off with a 13-yard run to the 35-yard line. From then on it was Fred "Bulldog" Lindsey through the line, with two passes, picking up yardage. With the ball resting on the two-yard line, Lindsey, behind good blocking by Paul Tognetti, quarterback, and Ed Wenberg from the end spot, carried the ball around the right end to score untouched. Lindsey came right back to make the conversion and even the score.

FIRST SCORE

The Texans' score was the result of a 41-yard run by Gayle Campbell, small but mighty full-back on the Hardin-Simmons team. With excellent line blocking and downfield blocking, Stribling drove off tackle and went through the whole San Jose team to draw first blood. From then on the Spartans tightened down and the Texas eleven's offense was held.

Charles Cook, 195-pound center from Compton junior college, showed he could take it at the pivot spot, playing all but the last three minutes of the game. Cook, playing heads up ball in the place of Wilbur Wool, continually brought down the Cowboy's line plunges from the line blocking spot and was always getting in the way of the Texans' end runs.

LINE HOLDS

Co-Captain Bob "Moe" Hamill and Don Allen, defensive giants on the right side of the Spartan line, made it tough for Coach Warren B. Woodson's backs by con-

(Continued on Page 3)

DEADLINE SET FOR FINAL PAYMENTS ON PAGE SPACE

The La Torre space sale came to a close Friday. Of the 90 organizations that contracted to buy pages in the yearbook only three have paid in full, states Walt Schmidt, business manager. They are the women's P. E. majors, Ero Sophian sorority and Spartan Hall. All other organizations must pay these bills in full by November 1. Either Leon Torrey, Schmidt or other business staff members will receive these payments.

Any payments, other than cash, must be made payable to La Torre. The four campus sororities that must have appointments made by 2 o'clock Thursday are Phi Kappa Pi, Zeta Chi, Kappa Kappa Sigma, and Allenian. Appointment hours are from 10 to 2.

On To COP

'Spartan Special' Leaves Friday For Stockton Game

A fifteen-car "Spartan Special" loaded with jovial rooters will leave the Western Pacific depot Friday afternoon for a three-hour trip of dancing and frolic to Stockton to see the Spartan-Tiger game.

DANCING CAR

A special car for dancing and a refreshment car have been added to the train, and coke will be sold aboard by the Spartan Knights headed by Izzy Gold.

"Plenty of time will be given for the students to get from the train to the game as arrival is expected in Stockton at approximately 6:15 p.m., and sufficient time will be given to get back to the train after the game," states Tom Taylor, head yell leader.

RESERVED SEATS

A special section for 1000 San Jose State rooters will be reserved on the 50-yard line, and according to Tom Taylor, all men and all women rooting-sections for those who have caps and pom-poms will be provided as at the Hardin-Simmons game.

Tickets will be \$1.75 for a round trip and may be obtained in the Controller's office. Taylor asks that tickets be purchased as soon as possible.

RALLY THURSDAY

Plans are nearing completion for the pre-game rally on Thursday night at 7:30. Bob Robarts, chairman of construction, put forth a call for trucks and guards to aid in construction starting today. He said trucks are very badly needed to gather material Monday, Tuesday, and Wednesday, and also guards, excluding freshman, to work on four-hour shifts.

All interested in guarding the structure are asked to sign up on bulletin boards outside Dr. MacQuarrie's office, in the co-op, and outside the Publications office.

The rally will start at the stadium at 7:30 and the bonfire will be lit at 8:30.

SAN JOSE MERCHANTS SEND BAND TO RENO

Through the co-operation of a number of San Jose's downtown business men, San Jose State college's 110-piece marching band will be sent to Reno, Nevada, for the San Jose State-University of Nevada game on November 8, Adolph W. Otterstein, Music department head, announced late Friday.

Three members of the San Jose Kiwanis club — Arnold Bachrodt, M. R. Bookwalter, and Manuel Bettencourt—raised the necessary \$540 to enable the band to take the trip, by taking subscriptions from various firms.

STUDENTS GET RATE

As a result of this, members of the Associated Students who wish

COMMUNITY CHEST DRIVE WINDS UP TOMORROW WITH TALENT SHOW

Winding up the campus seven-day drive to raise \$300 for the Community Chest is the talent show tomorrow morning in the Morris Dailey auditorium at 11:20 o'clock.

The show is being sponsored by AWA under the direction of Jeanette Owen. Tickets are on sale today and tomorrow for 25 cents in the Controller's office upstairs in the Student Union. They may also be purchased at the auditorium door tomorrow, announces Campaign Chairman Lew Daniel.

S.F. DANCE ARTIST APPEARS SUNDAY AT SYMPOSIUM

Miss May O'Donnell, San Francisco concert dance artist, will present the master lesson at the Orchestral symposium Sunday beginning at 9 a.m. in the women's gym.

Dance groups from eight colleges and universities will attend and participate in the affair. The following problems will be offered for discussion:

Rhythmic resources of the choreographer, by Mills College; rhythmic analysis based on a seven-count measure, by University of California; development of a movement unit, by Fresno State college; and free counterpoint and climax, by Stanford university. San Jose State college is working on dances designed for a small space, states Miss Marjorie Lucas, dance instructor and Orchestral adviser.

Other colleges which will be represented at the symposium are San Francisco State college, University of Nevada, and College of Pacific.

University of Nevada and San Francisco State college will lead the group in warm-ups, states Miss Lucas.

The symposium will be open only to dance groups which will participate. Faculty members of the women's Physical Education department and the Drama department have been invited to attend.

NOVELTY NUMBERS

Novelty numbers, including individual and group performances, will highlight the show. From the sublime to the ridiculous will be the Ero Piano duo and the DTO can-can dance. Ero Sophian is a social sorority and Delta Theta Omega is a social fraternity; both are on-campus.

Izzy Gold will do a pantomime and Virginia DeWolf will entertain with a dance number.

CHEST DONATIONS

Campus organizations which have contributed to the Chest fund are Eta Epsilon, Alpha Eta Sigma, Alpha Pi Omega, Ero Sophian, Gamma Pi Epsilon, Zeta Chi, Pi Epsilon Pi, Beta Gamma Chi, Pi Epsilon Tau, Tau Gamma, Sappho, Japanese club, and Delta Sigma Gamma. Groups which have not turned in donations may do so today and tomorrow in the Controller's office.

FIRST DEBATE MEETING SET FOR WEDNESDAY

The first inter-squad debate of the year will be held at the regular Wednesday debate meeting at 4 o'clock in room 53, according to Henry Leland, debate manager.

Jane Curry, sophomore History major, and Frank Davidson, freshman Social Science major, will take the affirmative side of the national debate question: "Resolved, That the Federal Government Should Regulate All Labor Unions."

Elwood Clark, junior P. E. major, and Bette Jane Toland, sophomore Social Science major, will take the negative side of the question.

Allan Isaksen will be chairman of the debate; followed afterwards by a discussion from the floor.

Enrolled Women Now Number 1913

There are 1913 women registered in the San Jose State college for the autumn quarter of 1941.

Nearly 50 per cent of these are living at home in or near San Jose, while 25 per cent are living out and either work full time or part time.

The number that commute come from all up and down the peninsula, and live with parents and relatives. 170 women work, excluding those who are on NYA.

A Great Opportunity

In line with the Music department's policy of bringing to the campus music of worth and interest, the department is presenting Miss Alice Ehlers, eminent harpsichordist, in a concert tomorrow night in the Morris Dailey auditorium.

Miss Ehlers, who has played as guest artist with many of the major symphonic groups in this country and has also toured Europe in concert series, is one of the few modern musicians who have chosen the harpsichord as a medium of expression. Among the works she will play are several by eighteenth-century composers who wrote for the harpsichord, which held the place in music then that the piano holds now.

This opportunity to hear the works of Bach and Haydn as they were written to be

played will probably not be repeated for many years. And, as Adolph Otterstein, Music department head, says, "You haven't heard a piece of music until you hear it played upon the instrument for which it was written. It simply isn't the same music."

Tickets are on sale in the controller's office, the music office, and at the Civic auditorium. They will be sold for approximately half-price to holders of Associated Students' cards. Proceeds from the sale of tickets, if it exceeds the amount guaranteed the artist, will be added to the ASB treasury. Thus students are given a chance not only to enjoy an hour of music of genuine artistic worth and importance, but to add to a fund which is maintained for their happiness and well being.

—Moody.

Worthy Of Our Support

One of the most meritorious of charitable organizations, the Community Chest is again conducting its yearly drive to secure funds for the benefit of the needy. Its services, known to all of us, need not be listed here.

What is of interest to State students is the talent parade scheduled for tomorrow morning in the Morris Dailey auditorium. The show is aimed primarily at raising the necessary money under the quota allotted the college.

In this instance the Chest coffers should

be filled to overflowing. For, according to Jeannette Owen, in charge of the show, the program is studded with a number of sure fire attractions. Each act, she says, is worth in itself the admission price of 25 cents.

At any rate the program and the movement behind it is worthy of our support. The faculty and the various campus organizations have already co-operated, and without benefit of a talent show. Now it's the students' opportunity to get together and put this campus affair across.

—Cook.

For Recreation Or Study

Those of us who have been here before know something about the Student Center. For instance, we know that it isn't just a place where we have football dances after the games. Hence, this is written primarily for those new students who may have only a vague idea what the score is at 120 East San Antonio street, the all-college Student Center.

Any student may make the Center a place of recreation or one of study. A large study room is provided with desks, chairs, couches, and a huge fireplace. There is a dance floor, and a room with two pianos, ideal for music majors needing practice. Also there is a game room with ping pong tables, all types of games, and there soon will be a pool table.

One of the primary committees which works under the Student Center council is that of Social Service. Its purposes are to aid social service majors, or for that matter, anyone interested in gaining experience in group work and supervised recreation. Members work with four groups in San Jose: The Jackson Avenue Mexican group and San Antonio Mexican district, both of which consist of organizing and helping Mexican girls in clubs; the other two are the San Jose Day Nursery and the four wards of the Ju-

A series of discussion groups brings Center activities up to date. The Peace and Public Affairs committee present a two-fold program, namely the World Student Service

fund and the weekly luncheon group, which venile Court.

discusses informally vital topics of the day as well as recreation in San Jose, race problems, conflict in Palestine, and the reconstruction for a new world order.

Monthly supper meetings with singing, folk-dancing and anything else that's fun are known as the "Round-up". Recreation is prominent with the Friday night dances, the Saturday night open house parties, hostel and bicycle trips and picnics. After the game, dances "Off-the-Record" come in this category too.

Organized primarily for those new students from out of town, the Freshman club is also an orientation group for freshmen and new students. It helps them to become acquainted.

Other committees that play an important part in the curriculum of the Student Center are the Cosmopolitan club, made up of students of all national backgrounds; the Music-Arts committee does excellent work in planning programs for the San Jose hospitals. The committee of Student Residence is part of the co-operative movement which gives splendid experience in financial management, house management, and cooking. Three women's co-operative residences have been established. Other committees are those of "Christ as a Teacher", "Membership", "Publicity", "Conferences", and "As You Like It".

THRUST and PARRY

CONTRIBUTORS' COLUMN

'Does San Jose Lack Talent?' Student Asks

Dear Thrust and Parry:

I am a transferee from Los Angeles City college where they have assemblies at least twice a week. Maybe it's because I am spoiled, but I think that greater spirit should be offered those college transferees that are a long way from home.

Upon entering San Jose State I thought that it was the finest state college on the coast. I am shared in that opinion by three other City college transferees that came to San Jose because they thought it was a fine college. By not having any good fellowship or get-together rallies in the auditorium it is casting a bad reflection on San Jose State college in our letters home. I only hope that in a few weeks our hating cause will be changed.

I believe that the student body will have more ability to do things as a body rather than by a few off-campus rallies. What's the matter? Doesn't San Jose State college have any talent?

—Bob Mann.

JOB SHOP

Two men, mechanically inclined and able to handle tools, can put in as much time as possible working at 50 cents an hour.

A job is open at a meat market from 5:30 to 7 week days, 8 to 9 on Saturdays and 10 to 6 on Sundays. The job pays 40 cents an hour.

Anyone wanting to work for a room may do so.

A local service station needs a man to work from 8 to 6 Saturdays and Sundays, and from 1 to 6 week days. The job pays 40 cents an hour.

Four men are needed October 25 to work at a local hotel at 40 cents an hour.

Twenty to thirty men can sell Christmas trees at 20 per cent commission.

For details about any of these jobs, students may consult Mrs. Louise Ralph in the Dean of Men's office.

NOTICES

There will be an inter-fraternity meeting Monday, October 20, at 8 p.m. The meeting will be held at the DTO house, 399 South 12th street.—Orren Turner.

Pre-med students interested in practical experience in administering physical examinations, are requested to sign up in the Dean of Men's office today.

On-Campus

Pre-game enthusiasm for the coming College of Pacific football game is very much in evidence around the campus. Committees are organizing for collection of materials for the giant bonfire rally Thursday, and tickets are being sold for the train excursion to Stockton Friday.

Tickets for the "Spartan Special" train trip are on sale in the controller's office in the Student Union for \$1.75.

Seen and heard at the Hardin Simmons-SJS game Friday: the "cowboys" referred to as "yellow jackets"—football player "45" a special expression changing in rapid succession from pleasure to boredom to disgust—the Texan roster who insisted on sitting in the Spartan stands and yelling "wooo" for his team—the knot-holes who scrambled to the rails a Majorettes Dottie and Janie May passed by.

A gentle reminder: Don't forget the Community Chest show tomorrow. It winds up the seven-day campus drive to raise \$300.

How Times Have Changed Since 1910!

A few shacks, an assembly building, the main building, an engine house—that's San Jose State college.

At least, that WAS San Jose State college when Mr. J. E. Stillwell, superintendent of buildings and grounds, first came here in 1910.

Today he is "Janitor De Luxe" for he has to care also for the Home Economics building, the Women's gymnasium, the Art annex, the Science building, the new library, and even the Spartan stadium.

In 1910 he had three assistants. Today he has 25, and his duties range all the way from seeing that the Art department has art benches to keeping the Spartan stadium lawn in good condition.

He explains, by the way, that the stadium is planted with Bermuda lawn which is supposed to be cut once in a while, but that is one duty that he doesn't have to bother with—the football team takes care of it for him.

FROSH GROUND FLYERS 21-0

STATE SOCCERMEN FAIL TO OVERCOME BEAR EARLY SCORING THRUST

San Jose State's soccer team still clung to the Northern California Intercollegiate soccer title by holding a fast California university team to a 4-4 tie Saturday, on a water-soaked field in Berkeley.

The Bears took the lead early in the first quarter, when Walter Dang, small but mighty forward on the California team, shoved a goal past State Goalie Harold Sonntag. Gemo Yakubovsky kept the

Spartans in the game by scoring the first State tally, mid-way in the first period, on a shot from the side, 15 yards out.

The Bears, however, came back strong and were able to put two more goals past Sonntag before the first quarter ended.

Captain Art Tindall brought State within one score of the Bears just before the quarter ended, when he took the ball down the center and scored from 10 yards out.

California got their final score midway in the second quarter, when a penalty shot was pushed through by Walter Dang, for his second goal of the day.

STRONG COMEBACK

In the third quarter the Spartans came back in championship style, keeping the ball well in enemy territory and to even the count. Dale Nelson made it 3-4 when he took the ball from Ed Bellet, right wing, and scored from 8 yards out. Tindall came back in the last of the third, going through all the Bear defensive men to put the ball past the California goalie from 10 yards out.

The Bears tightened up in the final period and the Spartans were held despite the fact they threatened on several occasions.

Roy Diedrickson and Tom Winovich played heads up ball at the fullback spots, stopping plenty of the California drives. Diedrickson got off some long kicks to keep the ball well in enemy territory.

GOOD DEFENSE

Ernie Figone and John Peebles, from the halfback spots, were good on defense and offense, taking the ball from the California halfbacks and dribbling down the field. Figone kicked several, which were only kept from the goal by the heads up playing of the Bear goalie.

Harold Sonntag played a good game at the goal, keeping the ball from going past him, and breaking up the Bear scoring thrusts. Ted Andrews was good on the defense from his centerback position. Bud Raccosin played a good game at the half spot until he was taken

SPARTAN HALL CHALLENGES DSG

The members of Spartan Hall are issuing a challenge to the Delta Sigma Gamma fraternity team to a game of touch football to be held any afternoon this week.

The DSG's fielded a good team this year, beating the DTO's in interfraternity competition.

Spartan Hall has not had any games this year as yet but have uncovered some good men in nightly practices.

Inter-Fraternity

Tomorrow on the San Carlos turf sharply at 3 o'clock the third round of the inter-fraternity football tourney will get underway with four of the six competing social fraternities battling for honors.

In the first game the Delta Theta Omega gridders play the Gamma Phi Sigma team and the Delta Sigma Gamma team meeting the Alpha Pi Omega pigskin artists.

NOTICE

Lost: White pencil with red top with compliments of "Maui Dry Goods" inscribed on it. Please return to Dick Miyagawa.

team earlier this quarter and should repeat if they play the way they did in the previous game, states Walker.

Spartans, seeing plenty of action Friday night, showed that he has the stuff and with more experience will go places. Paul Tognetti, playing behind Henry Antognani in the quarterback spot, played good ball not only in calling the plays but also on the defense. He was incidental in stopping many of the Texas line thrusts.

Good news came to Coach Winkelman and company, when it was learned the College of Pacific, Spartan opponent Friday night, was held to one touchdown by the Cal Rambler eleven.

The State team should go into the traditional game in top shape, with no serious injuries showing up in Friday's game. Barring injuries in practice this week the Spartans will be rated over the Pacific eleven, who have won only one game this season.

MC CRORY, GEARING, PERRY SCORE IN SECOND HALF COMEBACK DRIVE

By NEILS NEILSON

After being held scoreless for the first two quarters, the Spartan freshmen came back in the second half and won a decisive 21-0 victory over the Moffett Flyers "B" team last Friday afternoon.

Francis McCrory scored the first touchdown early in the third quarter on a 19-yard breakaway through the center, which ended a 60-yard drive down the field. The entire march took the freshmen six plays which included a 15-yard dash by right halfback Art Beltran, a 12-yard plunge by McCrory and finally McCrory's 19-yard gallop to pay dirt. Bill Perry kicked the conversion with Colin Hill holding.

Near the end of the third quarter the second score came when the freshmen, driven in particular

by fullback Jack Gearing, marched 45 yards in six plays for the touchdown. Gearing started the machine rolling with a 16-yard drive through the center slot. On the next play he passed for 16 more yards to Hill for a first down on the Flyers' 23-yard line. A pass, Gearing to Perry, netted eight yards and on his third plunge through the center Gearing dove into the end zone. Again Perry kicked the conversion with Hill holding the ball.

LIGHTNING STRIKES

The freshmen struck like lightning for their third and final touchdown midway in the final quarter. With the ball on the Flyers' 25-yard line, Hill dropped back and flipped a long pass to Perry who sprinted over the goal line. Perry again kicked the conversion with Hill holding to make it three straight.

This game proved Coach Winter's statement of two weeks ago that he had a second half ball club. In the first half the freshmen were continually breaking away for long gains deep into the Flyers' territory. Several times they had the ball inside the 10-yard line but lacked the punch and blocking to score. In the second half they came back and put on a display of polished football.

LINE IMPROVES

Charles Ziebak at right guard played a beautiful game. He was responsible for throwing Moffett ball carriers for losses all afternoon as he was charging hard and was following the plays around.

The work of the ends Ed Dill, Herb Roberson and Bob Bushman was greatly improved over last week. They were crashing in fast and keeping the ball carrier from swinging wide as well as spilling interference.

Other linemen who looked especially good were Al Long and Fred Brandt at the guard positions, John Shehtanian at the center post, Bob Peters at tackle and Bill Payne at end.

Frosh Poloists Eliminated From Jr. PAA Tourney

Coach Charley Walker's freshman water polo team was eliminated from the Junior Pacific Amateur Athletic water polo championships at Redwood City Friday night, when they bowed 14-3 to a strong Sequoia high school team.

The experienced high school septet was too much for the yearling ball splashers, who have not as yet played enough together to develop a strong team, states Coach Walker.

Ed Goulet and Jack Housen scored the Spartan tallies, with Goulet getting two of the three tallies.

Dick Anderson played a good game in the State cage but couldn't seem to stop the many shots that the Sequoia forwards were throwing from all over the tank. Cecil Dumballan and John Finger were good defensively in the guard spots but were unable to solve the Sequoia offensive plays until too late.

Robert Hepler couldn't seem to get his shots by the high school goalie and so went scoreless, although playing good ball at the forward spot.

NEWS BRIEFS

STUDENT LECTURES AT SANTA CLARA

Jackson Green, art student here, will lecture before a group of students and faculty of the University of Santa Clara Wednesday evening.

Green's topic is to be, "Correlation of Modern Art and Modern Music". His lecture will be illustrated with reproductions of paintings and a program of ultra-modern piano music.

Mr. Green lectured before Miss Goldworthy's group of summer school art teachers, and then went on a speaking tour which took him to Monterey, Palo Alto and Burlingame.

Dr. Dorothy Yates Is Forum Speaker

Dr. Dorothy Yates, associate professor of psychology, will be the principle speaker and discussion leader of the Public Affairs Forum to be held in the Student Center tomorrow at noon.

The meeting will be the usual box lunch type and according to Florence Newberry, chairman of the group, a short discussion will follow the talk.

All San Jose State college students, faculty, and friends are invited to attend.

Senior Announces Betrothal At Tea

Rose Marie Stewart, senior social service major, announced her engagement to Corp. Charles J. Trammell of the Monterey Presidio at a formal tea given by Kappa Phi, national college women's Methodist organization, in the home of Mrs. Victor Peterson.

The couple will be married sometime in December and will live in Monterey following Miss Stewart's graduation in June.

LITERARY SOCIETY MEETS TONIGHT

Choice of pledges will be the main business at a meeting of Pegasus, literary honor society, tonight at 7:30 o'clock.

The society, with a membership to 14, chooses pledges on a basis of original manuscripts submitted by applicants. There are several vacancies at present, announces Howard Melton, president, and any students seriously interested in creative writing are invited to submit works for consideration, in either prose or poetry.

Among members who can be contacted by applicants who wish their manuscripts to be considered are Dr. James O. Wood, Dr. Esther Shepherd, Wesley Goddard, Howard Melton, Otto Peterson, Elizabeth Moody, Dorothy Bailey, Tom Pagenhart, Grover Mabry, and Watson Lacy.

Army Caravans Have Right-Of-Way

Due to the number of needless accidents occurring in other college towns, students at San Jose State are reminded that Army transport caravans have absolute right of way over all civilian traffic.

A bulletin from the War Department warns us that the troop trains and transports have orders to continue in an unbroken line for the duration of a trip. Motorists are asked to use extreme caution at intersections, even though the traffic signal is in their favor.

FRED BUSS SPEAKS TO GEOLOGY CLUB

Professor Fred E. Buss was the principle speaker at the first meeting of the Geology club held in Palo Alto last Thursday evening. Professor Buss told mainly of his recent trip throughout the north-eastern states and eastern Canada. All phases of the talk were illustrated by colored slides. Of particular interest were slides of Devil's Tower, Niagara Falls, and landscapes of Michigan, New York, Pennsylvania, and the high plains of Nebraska.

Rhodes Speaks At Teachers' Institute

Dr. Robert D. Rhodes, biology instructor, will speak before the Teachers' Institute in Eureka tomorrow afternoon on "The Place of Science in the Elementary Schools".

N.Y.A. GIVEN \$480 BY FEDERAL GRANT

A special federal grant of \$480 has recently been added to San Jose State college NYA funds, according to Paul M. Pitman, Dean of Men.

This special grant is used exclusively in aiding Negro students who find it necessary to work their way through college.

Women's 'Y' Will Meet In Club Room

College YWCA membership committee will meet today at 4 o'clock in the Y club room. Those on the committee are: Mayne Kishi, Lois Cronk, Janice Isom, Florence Newberry, Betty Grass, Eileen Phifer, Dottie Dahl, Raenell Wells, Jean Thoits, Doracille Davis, Lois Carpenter, and Beridene Shaw.

Honorary Art Group Elects New Officers

Delta Epsilon, honorary art society, held an election of officers Wednesday and discussed plans for the admission of new members.

Result of the election is as follows: Jim Dailey, president; Ida Raye Graham, vice-president; Lila Carrington, secretary, and Betty Wisner, treasurer.

DSG Plans House Party November 7

Planning a Halloween house party for November 7 and a barn dance for November 29 was the primary business discussed at the regular meeting of Delta Sigma Gamma, on-campus fraternity, Wednesday night.

Organization Letters Filed In Dean's Office

Letters were sent to 83 clubs and organizations of San Jose State college today asking for information needed by the Dean of Women's office.

Miss Helen Dimmick, dean of women, asked those who have received these letters to bring the information to her office. Any organization which did not receive a letter should see her.

Ruth Froelich New Theatron President

At a recent meeting of Theatron, honorary dramatic society, Ruth Froelich was elected president of the group. Howard Melton as vice-president, and Audrey Tracy as secretary-treasurer will help her in managing the club's activities.

Sophomore Council Members Elected By Executive Board

At a meeting of the sophomore executive council held Tuesday in the Student Union a general council of 10 members was elected. This new council will act in an advisory capacity to the executive council and serve on active committees.

Those elected were Bud Heffner, Mary Suransky, Dorothy Bailey, Duane Heath, Doug Aitken, Frank Thompson, Ed Brubaker, Jean Wilson, Marty Taylor, and Betty O'Brien.

The sophomore executive council members are George Coles, class president; Rex Gardiner, vice-president; Ann Mortensen, secretary-treasurer; Henry Leland; Burch Calkins; Ken Alford; Janet Atwood; Allen Isaksen; Weber Lund; Keith Robinson; and Jack Gottschang.

SCOUT EXECUTIVE SPEAKS BEFORE SOCIOLOGY CLUB

Mr. O. B. Mathews, scout executive of the Boy Scouts of America, explained the problems, progress, and uses of the Community Chest when he spoke informally to the Sociology club Thursday night.

The meeting, which was also a pot-luck dinner, was held at 135 South Seventeenth street. Members discussed social problems.

The club plans to ask Moffett Field men to be their guests at a Halloween party October 30. Jane Jillion and Dolores Simmons were named as a committee to pick the place for the party.

After Mr. Mathews had told the group about the aims of the Community Chest and the work it is doing, the group held an informal forum discussion of this subject.

Enrollment Of Freshmen Drops

Freshman man may think they are outnumbered by the freshman women, but they are not. According to the Registrar's office there are 679 freshman women enrolled this quarter and 698 men.

This is a drop both for men and women in comparison with last year's figures, which show that there were 829 men and 706 women.

TIERNAN CALLS NOON MEETING OF JUNIOR MEN

Junior Class President Jack Tiernan is calling a meeting of all third-year men at noon today to discuss patrolling and other bonfire plans.

Committees will be chosen for the various details connected with this undertaking.

Tiernan said Friday that all junior men should attend to uphold their part in the annual bonfire.

PRESIDENTS ASKED TO MEET

The four class presidents will meet with the Student Council tonight at 7:30 o'clock in the Student Union to discuss a revision of the college constitution, announces Student Body President Don True.

The finished document will be submitted to the student body for a final vote.

STUDENT CHAIRMAN WILL PRESIDE AT PLATFORM

Initiating a new method in the quarterly speech platform, Hugh L. Gillis, Speech department head, announced yesterday that a student chairman would preside at the function. The platform will be held Wednesday and Thursday, October 22 and 23 in room A1 at 7:30 p.m.

Ruth Froelich, graduating senior, who appeared on the platform last year, has been selected co-chairman. After graduation she plans to attend a university and secure her general secondary teaching credential.

EDUCATORS GO TO CONVENTION

San Jose State college was well represented at the State Convention of Supervisors of Education at Del Monte, October 12-15. Misses Elsie Toles, Lillian Billington, Emily DeVore and Dr. Roy Willey, all of the Education department, attended.

Among the topics discussed at the general meetings and the panel discussions were mental hygiene and the advisability of combining science and social science in the elementary schools. A housing bill for rural schools and more teachers in districts where overcrowding exists were also urged by the group.

Miss Doris Gates, San Jose State librarian, spoke on "Must Our Children Be Sociologists?" at the banquet.

NEW KSJS CLUB MEMBERS PLAN RADIO PRODUCTION

At the KSJS initiation inner last Thursday night, October 16, Club President John Shepherd announced that new members of the radio group would produce a radio play. No definite date was set to give the play.

Tryouts for the play, "Cat Wife" by Arch Obler, were held Friday and continue today. Only new members in KSJS may take part in the production. It will be directed also by an as yet unchosen neophyte.

"Cat Wife" will be given in the Little Theater over the public address system with full sound effects, as were last year's presentations.

The dinner was held at the Garden house. New and old members participated in group singing, and Mr. Ray Irwin, club adviser entertained with a comedy example of a young radio announcer having his first tryout at a broadcasting studio.

"The meeting was most of an orientation — the real initiation will be the production of the play 'Cat Wife,'" said Shepherd.

SPARTAN HALL CHOOSES NEW HOUSE MANAGER

At the regular weekly business meeting of Spartan Hall held last Thursday evening, Leri Sorenson, commerce major from Selma, was elected to take over the duties of house manager. He'll take over the position which was held by Jay Varland of Graceland, North Dakota, who has been drafted. Sorenson was recently elected president of a Co-op house council for the quarter.

Spartan Hall had as regular weekly dinner guest D. Portal, assistant football coach and head boxing coach at State. He talked informally on boxing after the dinner.

EDUCATORS GO TO CONVENTION

Miss Froelich has had many campus appearances. In the past she played in "Much Ado About Nothing", "The Revelries", and currently is rehearsing for "The Rivals".

Formerly only faculty members acted as platform chairmen but this year the Speech department decided to select an outstanding speech major to preside. Selections are made on the basis of scholastic achievement and extracurricular activities.

The speech platform is participated in by all junior speech majors. The participants give a speech on any general subject and also reading interpretation. The platform is open to anyone interested in entertainment or speech of any kind.

Those students performing on Wednesday, October 22, are Kay Walton, Pat Alexander, Florence Booth, Evelyn Bravo, and John Carol. Junior speech majors speaking on Thursday, October 23, include Helen Cochran, Janis McCannahan, Margaret Kennedy, Howard Melton, Ronald Hadley, and Norval Guttormsen.

D.T.O. 'BIG GAME' DANCE OCTOBER 21

The first formal dance of the year is the annual Delta Theta Omega "Big Game" dance at Rancho Hacienda, October 25, featuring Hank Martin's orchestra from 9 until 1 o'clock. Celebrating the yearly grid classic with Pacific, the "tux" affair will also honor the new pledges.

Bill Kidwell, dance chairman, announces that bids are on sale in the controller's office and by D.T.O. members. He also advises early purchase because of the limited number.

Yesterday morning Bill Lewis, Curt Langford, Steve Yoas, Ed Rowe, Ed Morgan, Paul Laut, Jack Greenfield, Charles Larrimer, and Bob Call were honored at D.T.O. pledge breakfast at the De Anza hotel. Plans for initiation and further activities are now under way.

Faculty Has First Aid Class

Mid-terms are with us again. But students need have no fear yet. For this time it will be members of the faculty who are slated to labor over those troublesome tests. It all happens in Miss Grace Plum's Faculty First Aid class.

Next Tuesday is the night that the profs will be put on the well-known spot. Also a part of the meeting will be the re-enactment of actual accidents. Members will then be asked to diagnose the injury and to render treatment for the "victims."

At present the class has taken up such subjects as tourniquets, shock, control of bleeding and snake bites. Actual demonstrations and practice bandaging accompany the lectures.

October 23 the class will be given a talk on snakes, and poisonous ones in particular, by Dr. Robert Rhodes of the Science department.
